THIRD DAY OF CAMP… TUESDAY!

STAFF INTRODUCTIONS

Hi, my name is **Jay Lai**. I have been in SCCCS over ten years, and over these ten years, I have been at camp at least five times. This camp takes a lot of responsibility and preparation to plan the events, but I will do my best to take care of all the campers and make this camp successful. I hope that all the campers have a fun and memorable experience at Big Bear Camp!

Hi, my name is **Sue Ping Lai**. I am the nurse at Big Bear Camp this year. In 1998, I started attending camp as a camp nurse, taking care of all first aid. I was also a guardian and a cook that year. I went back in 1999, serving around 200 people as camp nurse. This is my third time at camp. My advice for this camp is to always drink lots of water, put on sunscreen, and wear tennis shoes!

Hi, my name is **Maggie Koo**. This is my first time at camp, but I teach Chinese at SFVCCA. I always wanted to attend camp because I found camp interesting, and this year, I help with laundry and first aid, as a nurse. My son, Enoch Koo, is a yellow boy in this camp.

Hi, my name is **Daniel Yu**. This is my first time at camp, and I watch out for safety, while videotaping the activities at camp. I enjoy this camp because it gives me the chance to get close with youngsters and know the generation's thoughts. I enjoy salsa dancing, and I hope that I can spread that influence.

Hi, my name is **Brenda Yang**. This is my first time at camp. My job here is to make sure that everyone is well-fed and doing well.

Hi, my name is **Annie Low**. As we help out, we can also learn many pieces of new information. Thank you, Southern California Council of Chinese Schools officers, and Principal Yie!

Remember… if anyone wants to add anything to the newsletter, simply let a counselor know and the information will be passed on.
Thanks! ☺
