333N. Glassell St. Orange, CA 92866

## Parking information

<http://www.chapman.edu/map/parking.asp>

凡參加春季教學暨行政人員研討會的人員只能在” Lastinger Structure” (P4) 停車

請參考下頁放大停車位置圖

**Permits in Lastinger Structure:** Visitors may park on either level of the structure in any unreserved space. Temporary permits are required and may be purchased at the entrance to the structure in the right hand lane at the provided permit dispenser. Be sure to place the permit face-up on your dashboard.

**Cost:** The free parking permit is good for the Lastinger Parking Structure which is located on Walnut Avenue just east of Glassell Street (under the athletic field). Please download, print the parking permit and follow the parking instruction.

**City Streets:** The streets adjacent to campus are reserved for resident-only permit parking. The affected blocks are marked with red and white signs. It is likely that you will be ticketed by the City of Orange if you park in one of these areas. Curb-side parking is allowed only on the campus side of the University perimeter.

Questions: **Call Parking Services at 714-997-6763.**
