

春研iPad 教學實例及應用

育林中文學校

劉瓊黛老師

Target Audience :

- 針對使用個人/手提電腦的老師們認識及了解使用iPad的好處，大大減少準備教材的時間-從數小時縮短至數分鐘。
- 實際操作教學實例，幫助老師們能用iPad逐漸取代手提電腦—再也不用帶著笨重的手提電腦及充電器了。

Pro & Cons

Laptop:

- 笨重、許多連接線
- 常有Powerpoint 無法投射的問題。
- Powerpoint: time consuming when prepare the materials. 編排費時。
- slow in typing the Chinese
- easy to share the file

iPad:

- light, easy to carry, & one hook up.
- easy to connect to a projector
- easy to use, much less time to prepare the ppts.
- the best part- 口語/手寫輸入
- No thumb drive
- can't play Flash

Things you need

- an iPad
- Your own Apple ID and password (please DO NOT use your child's)
- for old iPad/iPhone connection cable: \$25
- for iPad Air/iPhone 5&6: \$45
- where to buy?

How to connect to a projector

- 老師實際操作 2-3minutes

Reminders

- ALWAYS get permissions from parents and students when use their pictures and works.
- copyright issue and cite the sources.
- strictly to be used in the classroom.
- if you allow the students to bring any electric devices to use in the classroom, make sure you set the rules and ask the parents to sign to acknowledge the rule. Let your school principal know too.
- My suggestion- don't ask the students to bring their own devices to the classroom. Let them use yours.
